Dear Department of Transportation,

When planning the reconstruction of I-81, please take my following comments into consideration:

The MLK proposed on and off ramp must be moved 600 feet away from the school.

nyclu.org/i81 | [#LetsTalkAboutI81](https://twitter.com/LetsTalkAboutI81)

A comprehensive school plan must happen before Final EIS.

nyclu.org/i81 | [#LetsTalkAboutI81](https://twitter.com/LetsTalkAboutI81)

Property dwellers within 500 feet of raised viaduct should receive mitigation.

It is critical for the economic health of our community that a significant % of jobs on the Rt81 project be reserved for local residents

There needs to be minority jobs on Rt81 that reflect the % of minority population of Central New York

It is critical that the Rt81 project take into account and mitigate the environmental impact on the neighborhoods adjacent to the highway

DOT must create pathways for DBE certification for local Syracuse residents and people of color.

Syracuse is one of the poorest cities in the country. Blacks and Latinos need jobs. This is a great opportunity to raise many out of poverty.

DOT ~~must~~ create pathways for 30% people of color to have requirement for all PLAs.

The MLK proposed on and off ramp must be moved 600 feet away from the school.

nyclu.org/i81 | [#LetsTalkAboutI81](https://twitter.com/LetsTalkAboutI81)

Air and noise pollution must be mitigated at Dr. King School.

nyclu.org/i81 | [#LetsTalkAboutI81](https://twitter.com/LetsTalkAboutI81)

A comprehensive school plan must happen before Final EIS.

Racial Justice
- Restore the
community that was
torn apart by the
construction of
I-81

Jobs!
Please train and
hire neighborhood
